Tayenebe

Art Gallery 4-4th July 2009 - 29 November 2009

Tayenebe is a Tasmanian Aboriginal word meaning 'exchange'.

Tayenebe is also the name of an art project underway in which Tasmanian Aboriginal women are reviving traditional fibre skills as part of a larger process of reclaiming culture. Integral to *Tayenebe* is sharing between people and across time.

A series of fibre workshops facilitated by Arts Tasmania will culminate in an exhibition opening at TMAG during NAIDOC week 2009, and tour major Australian cultural venues from January 2010.
